## Engagement

*You've embarked on an incredible journey. Before you jump into planning your wedding...*

### **Cherish the moment!**

Remember you're getting married to a Person not a Process.

### **Seal the moment**

In your heart before sharing it with the world.

### **Capture the moment**

Talk lots of photos and/or videos to store away for future use

### **Sit in the moment**

Wait a least a day before sharing it with anyone else

### **Enjoy the moment**

Go slow! Take time to reflect and ponder.
